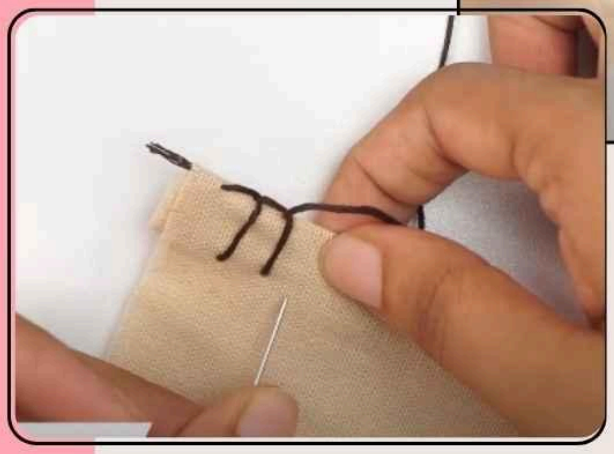
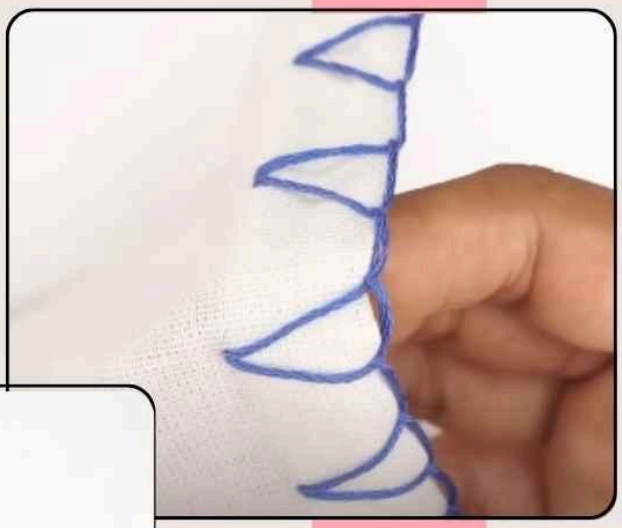
Simple Blanket stitch

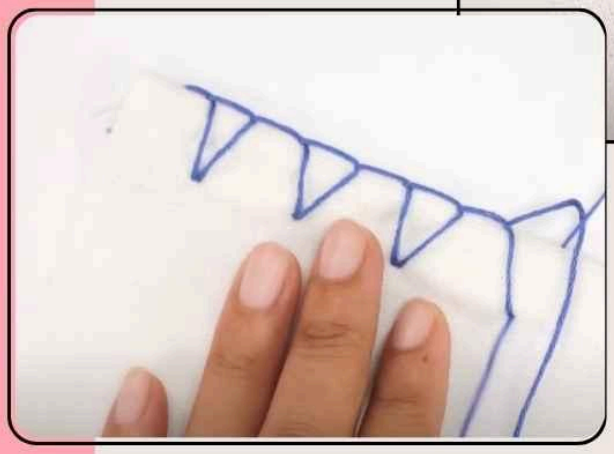


Blanket stitch is an even speed loop stitch along with fabric edge.

Sewing Inspo

Closed Blanket Stitch

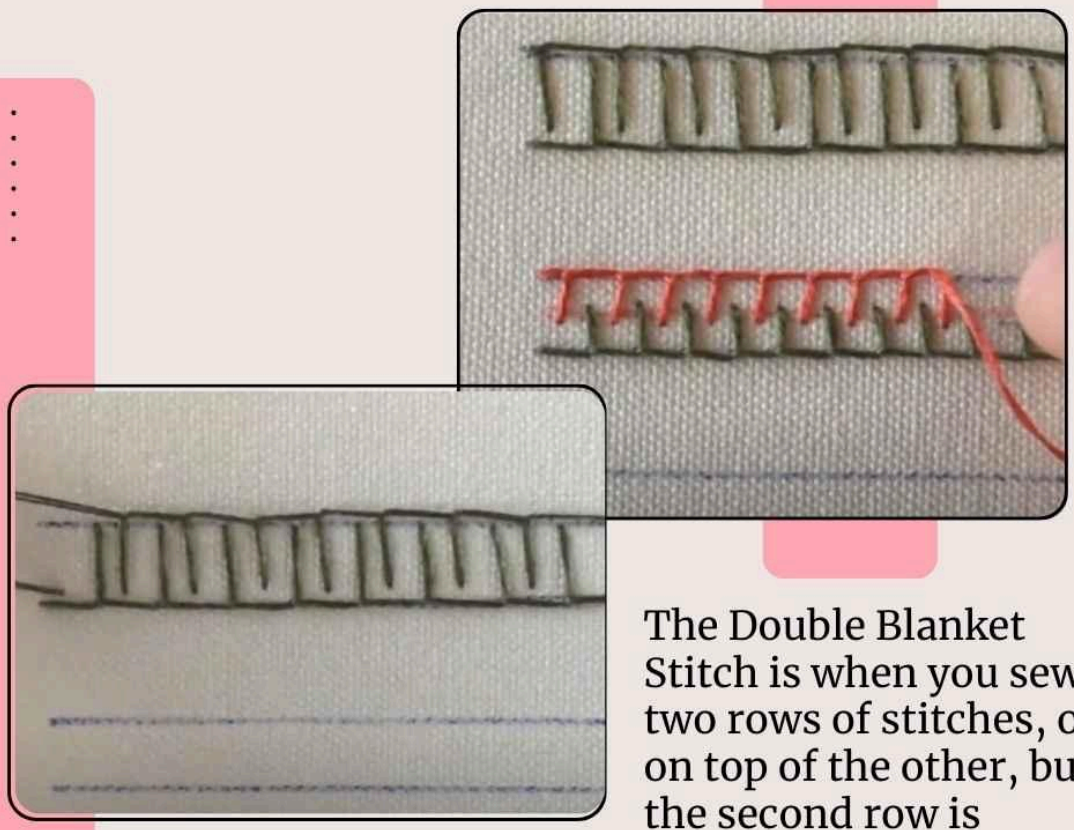




The Closed Blanket Stitch transforms the basic blanket stitch into a series of connected triangles, all linked by a shared baseline.

Sewing Inspo

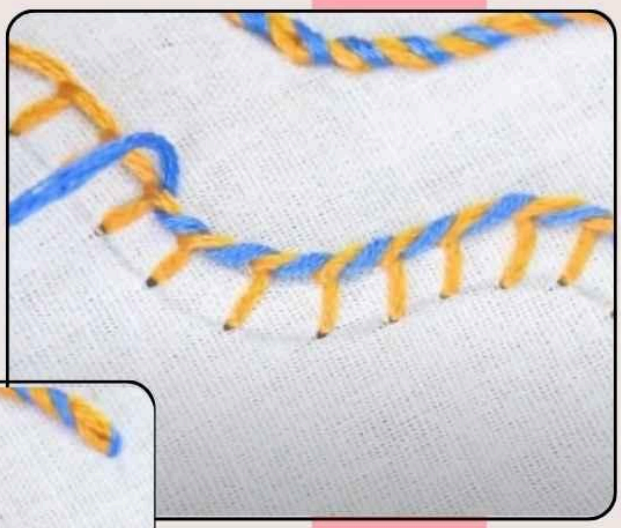
Double Blanket Stitch



The Double Blanket Stitch is when you sew two rows of stitches, one on top of the other, but the second row is slightly offset, so its stitches fill the gaps of the first row.

Sewing Inspo

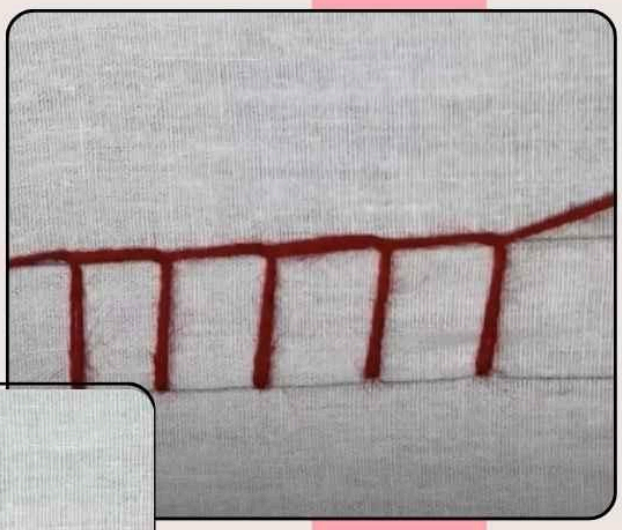
Whipped Blanket Stitch

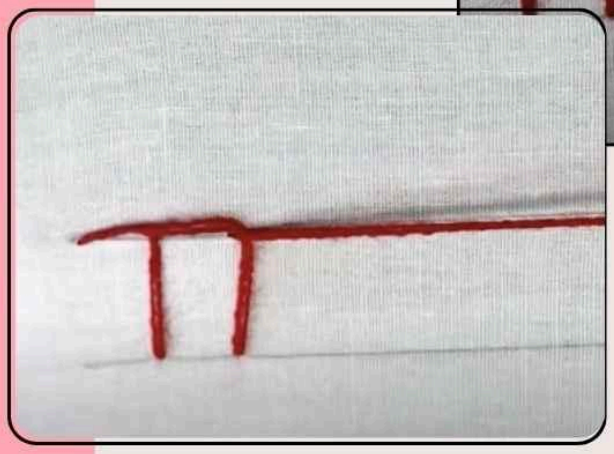


After sewing a row of blanket stitches, you “whip” another thread around them by weaving it through without piercing the fabric.

Sewing Inspo

Boxed Blanket Stitch

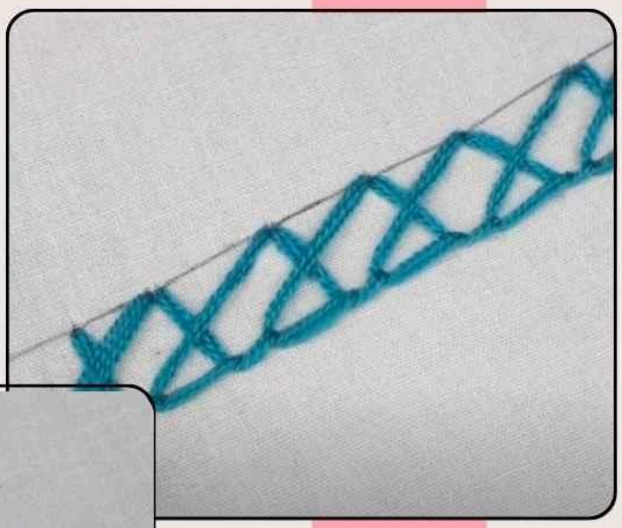


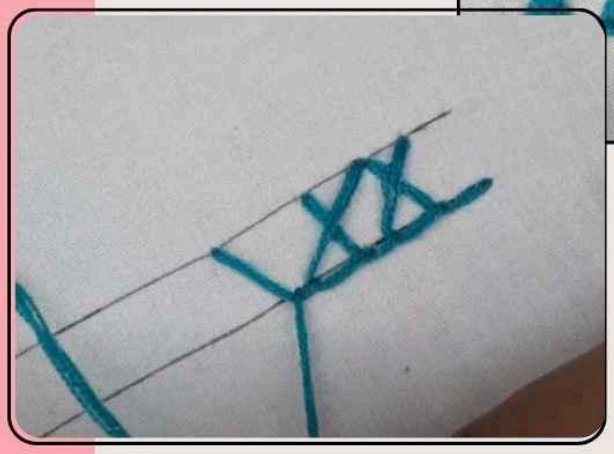


The Boxed Blanket Stitch is a blanket stitch that creates a boxy, square-like pattern along the fabric edge.

Inspo Sewing

Crossed Blanket Stitch

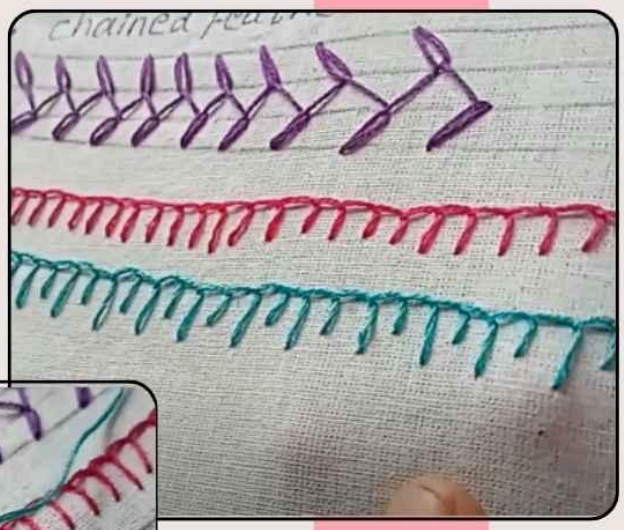




In a crossed blanket stitch, the stitch goes over loops crossed over each other to form an "X" or diamond shape.

Sewing Inspo

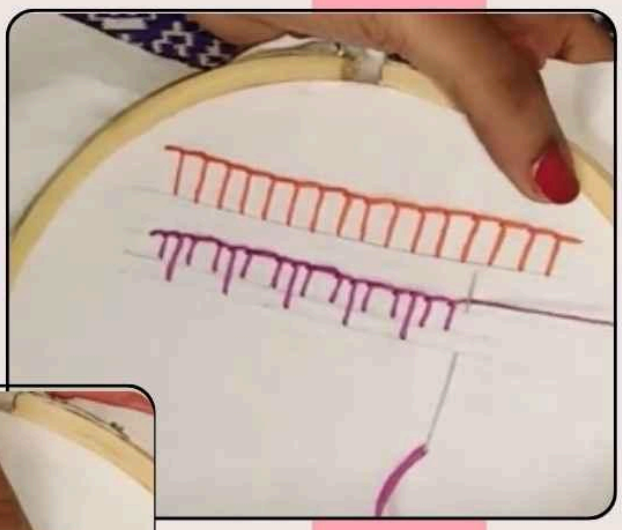
Long and Short Blanket Stitch

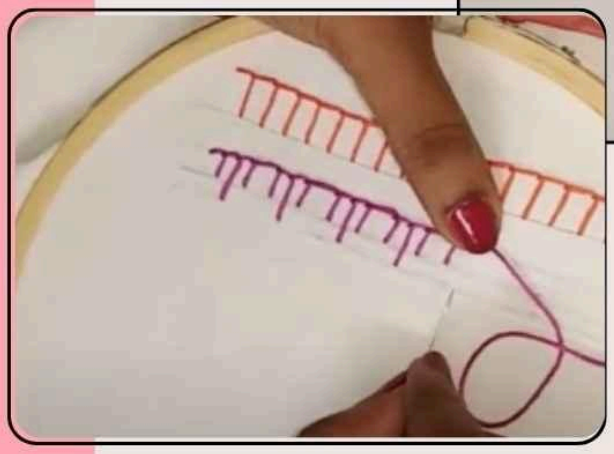


Long and Short Blanket Stitch is basically an uneven blanket stitch with just 1 strand of embroidery floss.

Sewing Inspo

Uneven Blanket Stitch

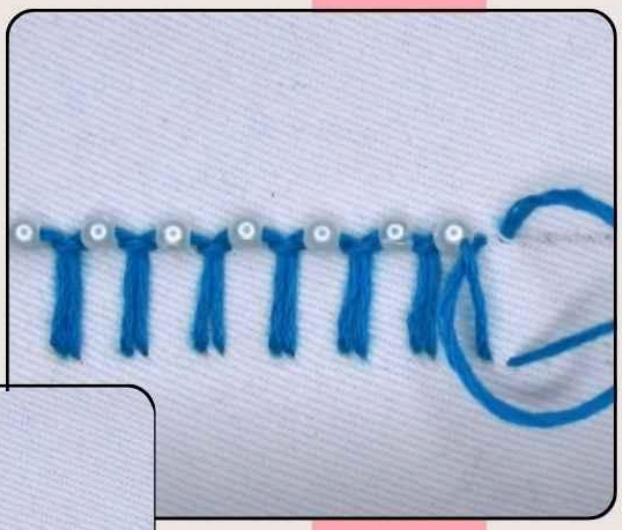


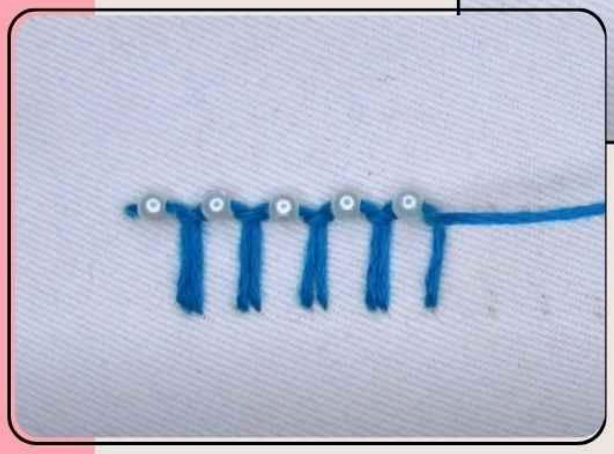


Uneven Blanket Stitch is another form of long & short one, but this time, it's the stitch that goes short & long.

Sewing Inspo

Mirrored Blanket Stitch





Depending on the spacing, it can look like a row of “V” or “M” shapes. The mirrored effect adds a sophisticated touch, making it stand out in any project.

Sewing Inspo

German Knotted Blanket Stitch

The German Knotted Blanket Stitch is a variation of the blanket stitch that adds small knots along the edge.

Sewing Inspo

Looped Blanket Flower Stitch

It’s made by forming loops with the blanket stitch technique, where each loop is intentionally left loose and curved outward to mimic petals.

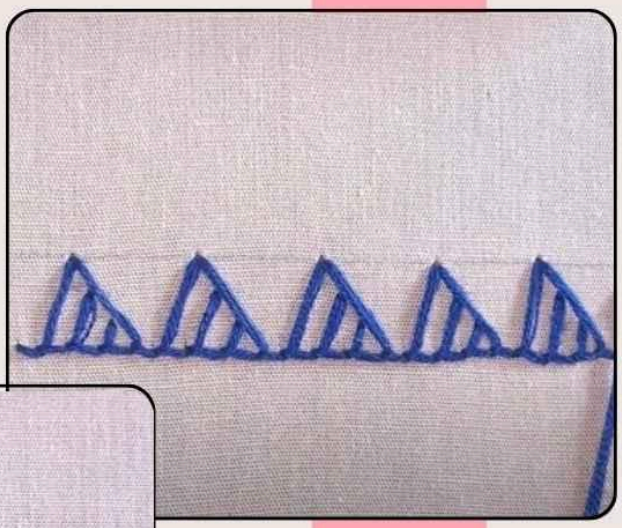
Sewing Inspo

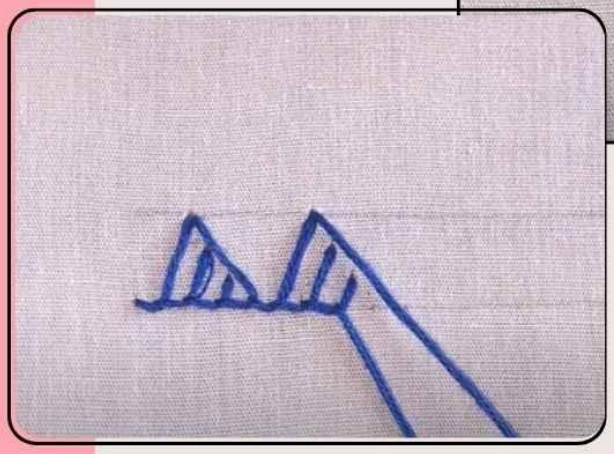
Slanted Blanket Stitch

A Slanted Blanket Stitch is normally an upright stitch tilted to one side, creating a slanted effect instead of a straight vertical line.

Sewing Inspo

Blanket Triangles

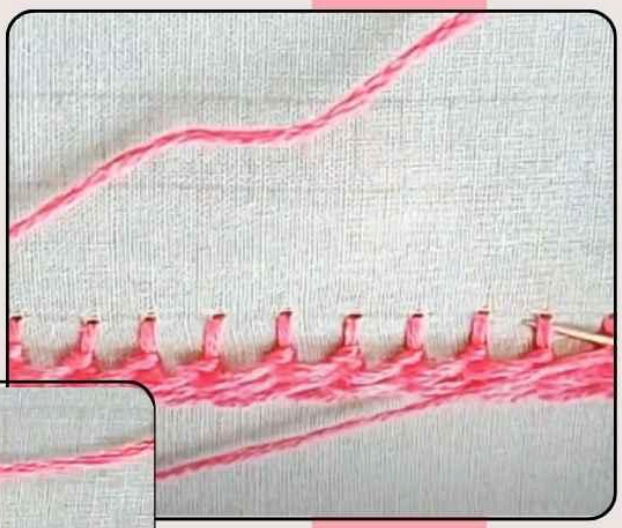


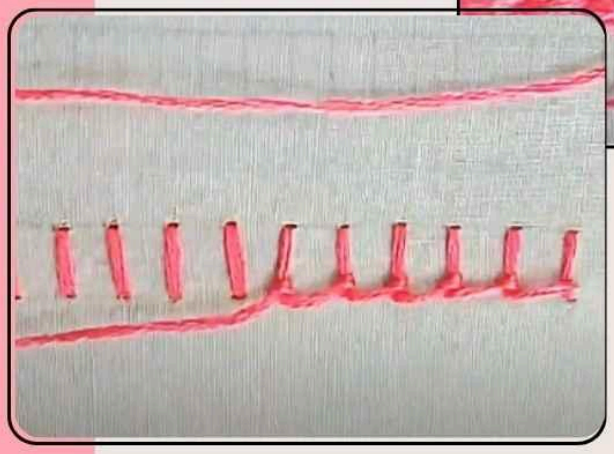


The Blanket Triangles Stitch forms triangles with 4 series of stitches and can be enhanced with whipped, threaded variations or beads for a decorative edge.

Inspo Sewing

Raised Blanket Stitch

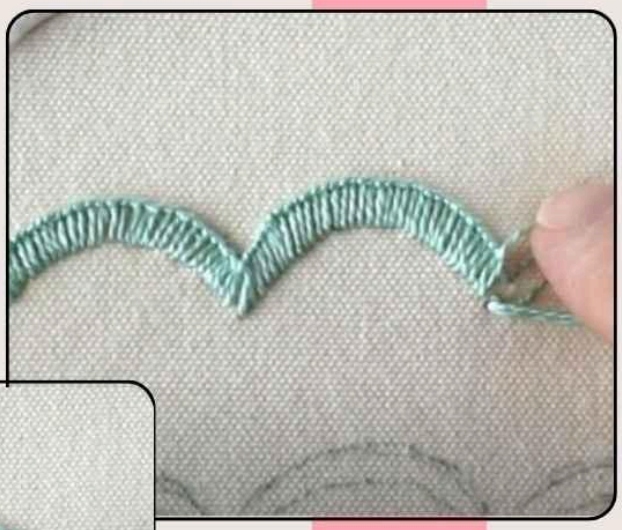


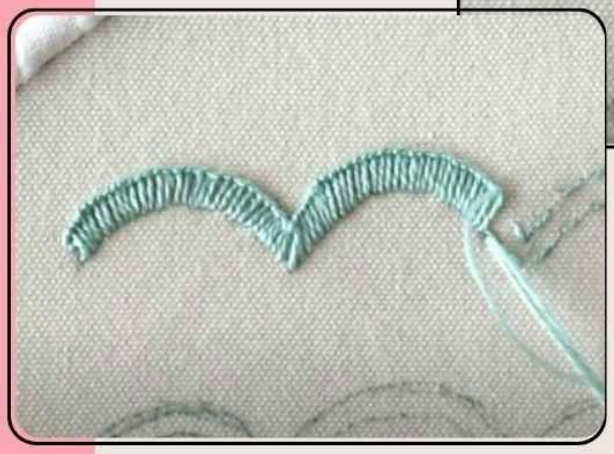


Raised Blanket Stitch creates a raised version of the stitch, and each stitch works in a way that creates a raised, 3D effect on the fabric.

Sewing Inspo

Blanket Scallops





This stitch is worked by making small, evenly spaced blanket stitches that arch outwards, forming a scalloped pattern.
